

Why a Women's Initiative?

By Rachel Roffman, Client Care Associate, SignatureWOMEN® Team Member

Every woman deserves to work with an advisor who is committed to understanding her needs and helping her design the life she desires.

What We Do

When a woman decides to take control of her financial life, we are here to help. From an active corporate executive managing a demanding schedule to a woman who finds herself going through one of life's transitions such as divorce or the death of a spouse, time is a valuable commodity. Through our Wealth Blueprint Process®, we work with you to simplify your financial life, save you time, secure your future and reduce your risks. Our goal in all of this is to help provide peace of mind so that you can live a great life with confidence, fullness and purpose. Our solutions address some of the major challenges that women face when managing their wealth.

Creating a Vision for Your Future

SignatureWOMEN® is an initiative serving the greater interests of the female clients of SignatureFD and the larger Atlanta women's community. At SignatureFD, we believe in a holistic approach to managing our client's wealth. Through our SignatureWOMEN® community, we are given the opportunity to help facilitate that growth through events and activities that educate, support and empower.

SignatureWOMEN® provides a platform to come together in a meaningful way in order to connect with each other, share stories and experiences, or just have some fun! Building relationships between women and sharing ideas can lead to change not only for the individual but for the community at large.

A women's community can be a powerful catalyst for change and growth. Our community comprises a diverse

group of women who bring their unique experiences, talents and interests to the group. The SignatureWOMEN® community includes women of all backgrounds and marital and employment status. All are welcome and have something special to offer.

A Thriving Community

Our programs throughout the year—from wellness retreats to educational talks, workshops, and business and social networking opportunities—are organized to help you live your fullest life. We encourage you to bring friends to our events so they, too, can enjoy this remarkable community.

Through SignatureWOMEN®, you are able to connect and network with other women who may be on a similar journey, share the same interests and may end up becoming a source of inspiration and friendship.

Live Confidently Knowing You Are in Control
