My Net Worthwhile® is bringing clarity and balance to financial operations so others can focus on what matters most.

As Finance and Operations Associate, Aliki supports SignatureFD's team through managing daily accounting, payroll, payables, and expense reports. She is driven by a belief that well-managed processes create ease and confidence for others. Aliki enjoys helping colleagues navigate areas outside their expertise and takes pride in making complex tasks more approachable.

Aliki brings extensive experience in payroll and small business operations, having previously owned and operated an independent payroll business with her husband. Before joining SignatureFD, she worked across a variety of small business environments, managing office operations, accounting, and accounts payable and receivable, while frequently serving as a trusted resource for resolving accounting and operational issues.

Aliki earned a Bachelor of Arts in History from Tufts University, a Master of Arts in Medieval Studies from the University of York in the United Kingdom, and a Master of Science in Historic Preservation from Columbia University.

She is an active member of the East Cobb Quilters' Guild, where she serves as Evening Librarian, and volunteers as Basket Raffle Co-Chair for Georgia Celebrates Quilts, the guild's biennial quilt show.

Outside of work, Aliki enjoys hiking, photography, European travel, and expressing her creativity as an avid sewist and quilter.
