My Net Worthwhile® is helping clients not sacrifice what they want most for what they want now.

With a mindset of intentionality, discipline, and extreme ownership, Augie provides support by constructing comprehensive wealth plans to assist clients in seeing their full financial picture in real-time. He helps clients tackle their current circumstances while retaining faith that their goals will prevail in the end.

Augie holds a BS in Accounting and Finance from Grove City College and is currently pursuing his professional CFP® certification. He was a John Philip Sousa Award winner in 2018. The John Philip Sousa Band Award® recognizes superior musicianship and outstanding dedication to honor the top students in high school bands.

When Augie isn't assisting our clients and team, he enjoys competing as an athlete (specifically in football), playing the trumpet and expanding his music repertoire, and visiting every city and state listed in Johnny Cash's "I've Been Everywhere." He also one day wants to make a cameo in Family Guy or one of the only three remaining soap operas.
