My Net Worthwhile® is helping families thrive.

Blair has worked alongside individuals and families, helping them do more with their wealth at every stage of their life for more than 35 years. This has given him a depth of relationships and understanding of what each generation of a family faces as they navigate life together.

Believing that wealth is more than a number, two of the most important things he continues to learn personally and as an advisor are the value of wisdom and the benefits of living a generous life. He believes both offer a perspective on financial wealth and how each of us have the opportunity for our lives to make a positive impact on others, especially when it comes to what we leave to future generations.

Before joining SignatureFD in 2000, Blair was a partner with Ronald Blue & Co. (Now Blue Trust), and began his career as a CPA with Arthur Andersen & Co. He graduated from the University of Georgia with a Bachelor of Business Administration in Accounting.

Blair has served on the boards of North Point Ministries, Passion City Church, Eagle Ranch, Lighthouse Family Retreat, and Charityvest. Blair and his wife, Deanna, are passionate about mentoring young couples navigating marriage and family.
