My NET WORTHWHILE™ is inspiring others to experience the joy of generosity.

Blair has worked alongside individuals and families, helping them do more with their wealth at every stage of life for more than 30 years. Two of the most important things that he continues to learn personally and as an advisor are the value of wisdom and the benefits of living a generous life. He believes both offer a perspective on the importance of using your life to make a positive impact. Blair brings both technical expertise as well as a passion for helping others to his work of helping clients build intentional generosity plans.

Blair is a frequent speaker to groups and on webcasts about the benefits of generosity.

Before joining SignatureFD in 2000, Blair was a partner with Ronald Blue & Co. and began his career with Arthur Andersen & Co. He graduated from the University of Georgia with a Bachelor of Business Administration in Accounting.

Blair has served on the boards of North Point Ministries, The Eagle Ranch Foundation, Passion City Church and Lighthouse Family Retreat. Blair and his wife Deanna have a passion for mentoring young couples about navigating marriage and family.
