My Net Worthwhile® is to support my team while taking on challenges with a positive attitude.

A former teacher who loves helping others and making a positive impact, Christina brings strong communication and leadership skills to her role at Signature FD. As an executive assistant, she supports our CEO and senior-level executives, providing a bridge for clear communication among staff members.

Christina's greatest responsibility is helping identify problems or issues while using clear communication to gather and provide as much information as possible so that she can help develop solutions to any problem. She is also responsible for managing appointments and meeting schedules, researching and preparing important documentation, arranging travel, and organizing events.

Away from the office, Christina enjoys spending time with friends and family, hiking, reading, and learning ASL. She also volunteers with the children's program at her church, helping plan events and leading small monthly group meetings.
