My Net Worthwhile® is striving to deliver outstanding services by actively listening to our clients' needs, resolving issues promptly, and fostering long-lasting relationships.

Once serving on our Portfolio Management team, Danni brings a strong foundation in customer service, relationship-building, and trading. She is skilled in managing complex client interactions, coupled with deep understanding of investment strategies, allowing her to deliver personalized support and help ensure client satisfaction.

Before SignatureFD, Danni worked for the Retirement Systems of Georgia as an analyst on the research and operations team. She also served as a Business Economics and Statistics student instructor during her undergraduate studies. Danni holds a Bachelor of Business Administration from Georgia College and State University and is working toward her MBA at Kennesaw State University.

In her free time, Danni enjoys staying active and exploring new hobbies that keep her balanced. Whether it's hiking, reading, or spending time with friends and family, she makes sure to prioritize personal growth and well-being. Volunteering at the animal shelter and local food bank is also something she's very passionate about. It brings a fresh perspective to her professional life.
