My Net Worthwhile® is helping others grow and experience peace through their finances, relationships, and purpose.

At SignatureFD, Emily works closely with clients and advisors creating wealth blueprints, developing comprehensive financial plans, researching complex financial planning strategies, and analyzing statements.

Emily is drawn to financial planning for its human connection. While she enjoys the data and technicalities of personal finance, she believes what makes financial planning special is the opportunity it gives her to learn about the lives of her clients. Emily graduated from the University of Georgia in 2020 with a Bachelor of Science in Human Development and a minor in Consumer Economics.

Emily has served as a Younglife Leader for Oconee Middle School, an Athens PB&J Mentor supporting the local homeless population, and an iPrevail Wellness Coach for teenagers struggling with mental health. In her free time, she enjoys exercising with friends and spending time with family.
