My Net Worthwhile® is working with advisors to help clients find confidence in their financial lives so they may enjoy life.

With a passion for people and numbers, Erin works with advisors to help optimize client's financial pictures, helping them feel relief from the anxiety that can come with wealth management. She serves as a resource for financial questions across every stage of life and helps make and monitor financial plans that align with clients' goals.

Before SignatureFD, Erin worked at Cannon Financial Strategists, supporting individuals with wealth management and retirement plans. She is an Accredited Financial Counselor (AFC®) and CERTIFIED FINANCIAL PLANNER™ (CFP®).

Erin holds a Master of Science in Financial Planning from the University of Georgia. She enjoys cooking, cheering on the Dawgs, spending time with loved ones, and staying involved in her church community.

Certified Financial Planner Board of Standards Inc. owns the certification marks CFP®, CERTIFIED FINANCIAL PLANNER™, CFP® and CFP® in the U.S., which it awards to individuals who successfully complete CFP Board's initial and ongoing certification requirements.
