My NET WORTHWHILE™ is understanding the “why” behind client decisions, so we’re always working toward what matters most for them.

Passionate about helping people plan for today and tomorrow, Isobo enjoys assisting advisors in putting together a financial plan that helps clients bring their dreams to fruition. Driven by the “Why,” Isobo believes SignatureFD acts as a guide, helping clients get from where they are to where they want to be. He belongs to the National Association of Personal Financial Advisors (NAPFA) and NAPFA Genesis, a peer-to-peer networking group dedicated to professional growth and continued learning.

Before SignatureFD, Isobo worked at Deerfield Financial Advisors, where he helped early-career attorneys in the Chicago area build financial lives that reflect their values. Before that, he worked in finance and management. Isobo has his Bachelor of Science in Finance from Saint Louis University and is a Certified Financial Planner (CFP).

Isobo is inspired to help end financial illiteracy in underserved communities and loves the outdoors. He enjoys sports, discovering new restaurants, and is a third-degree black belt in Taekwondo.
