My Net Worthwhile® is helping others feel confident and secure about their personal finances.

Josh graduated from the University of Georgia with a BBA in Finance in 2023 and an MS in Financial Planning in 2024. He is pursuing the CERTIFIED FINANCIAL PLANNER™ designation and expects to complete it in 2025. As a planning associate for the SignatureENTREPRENEUR Team, Josh helps prepare client meeting materials and supports the advisors to ensure clients reach their financial goals.

Josh gained valuable experience through two wealth management internships at Atlanta-based RIA firms. Additionally, he spent the Fall 2023 and Spring 2024 semesters as a Graduate Teaching Assistant for Personal Finance classes at the University of Georgia.

Josh finds it rewarding to see all the aspects of financial planning come together to improve each family's unique situation. He finds satisfaction in helping others make easier, more effective decisions. Aspiring to become a financial advisor, Josh values the opportunity to learn from top industry professionals.

In his free time, Josh enjoys watching his Georgia Bulldogs and Miami Dolphins, exploring the city of Atlanta, working out, and spending time with his two dogs: Sophie and Louie.
