My Net Worthwhile® is seeing the design in everything around us and improving upon it for a better experience for everyone.

Keilah's background in architecture is reflected in her appreciation for designing systems that enhance communication and service. Her talent for listening and her ability to seek out all perspectives allow her to develop sound strategies. As the director of element operations, Keilah works with leadership to build and refine operational systems and procedures that ensure effective implementation of the company's strategic vision.

Before SignatureFD, Keilah served as the Vice President of Client Services at Berman Capital Advisors, overseeing the client associates team and managing internal relationships between departments. Keilah graduated from Georgia Institute of Technology with a Bachelor of Science in Architecture.

Outside of work, Keilah is passionate about the arts and enjoys dancing, painting, and drawing.
