My NET WORTHWHILE™ is advocating for clients in protecting their families and the wealth they have earned.

Kelly's goal is to help make the risk management process as smooth as possible for both our clients and our team. As an insurance client care associate, Kelly focuses on delivering exceptional service by processing life, disability and long-term-care insurance for clients. She coordinates all aspects of the process, including preparing new insurance applications, monitoring the policy placement process, and coordinating existing policy reviews.

Prior to joining SignatureFD, Kelly worked at Peachtree Planning, an Atlanta-based financial planning firm. She holds an Associate Degree in Accounting from the University of Arizona/ Pima Community College.

Kelly resides in Dacula, Georgia, with her husband and their two children. She enjoys sports, travel and time outdoors.
