My Net Worthwhile® is helping clients plan their wealth for the future.

As a senior alternative portfolio accounting specialist, Kevin tracks and analyzes alternative investments from an accounting standpoint. With a passion for helping clients prepare for the future, Kevin prides himself on providing the team with accurate and timely information to help ensure portfolios stay in lock-step with client reporting and goal tracking.

Before joining SignatureFD, Kevin was a senior accounting analyst with SEI Investments. Kevin graduated from Penn State University with a Bachelor of Science in Accounting. Outside of work, Kevin is an avid golfer.
