My Net Worthwhile® is paying attention to the details so clients can pay attention to the big picture.

With a passion for supporting others, Lauren loves problem-solving and being the “go-to” person clients can trust as a true teammate. At SignatureFD, she always takes a detailed and proactive approach to client care, proudly assisting the team with paperwork processing and account maintenance.

She graduated from Washington State University with a Bachelor of Arts in Women’s Studies in 2011, and she loves traveling, going on adventures with her dogs, gardening, and attending Atlanta United and live music events. Lauren has served as a troop leader for her niece’s Girl Scout troop and dreams of having a hobby farm and dog rescue one day.
