My Net Worthwhile® is being part of a team that's loving and supportive while giving me space to breathe and grow!

With an eye for detail, Lorelle enjoys managing and accomplishing all the little tasks on behalf of clients to help them have a positive experience. She takes pride in being reliable and consistent in her responsibilities, utilizing SignatureFD's resources to understand and solve problems, and helping wherever possible.

Lorelle graduated from Kennesaw State University with a degree in psychology. In her free time, she enjoys being outdoors and tries to hike her local nature trail at least twice a week. She also loves history, exploring new places (she would love to be a treasure hunter), and knitting blankets for friends and family.
