My Net Worthwhile® is providing clients with protective insurance that offers peace of mind.

With a knack for contract analysis and translation, Maria is responsible for serving our high-net-worth clients' personal risk management needs. Strategically aligning SignatureFD with reputable insurers in the industry, Maria presents insurance solutions, personal loss control, and risk management to our clients. She works with the firm's wealth managers to protect our clients' assets by providing insurance to shelter them from potential liabilities.

Maria brings over 35 years of insurance experience to SignatureFD's property and casualty insurance division. She began her career working with Chubb Insurance and remained there for 16 years. She has worked with commercial and personal risks and multiple distribution methods during her career. Her experience makes her uniquely capable of knowing the appropriate insurance solutions for her clients. She holds a Bachelor of Insurance and Risk Management from the University of Georgia.

Maria is a member of the Independents Insurance Agents of Georgia.
