My Net Worthwhile® is working with the Investment Team to keep portfolios balanced and strategically aligned to suit our clients' future needs.

Informed and attentive, Parker works closely with the Investment Team to manage client portfolios and ensure they align with clients' goals and objectives. In addition, he supports SignatureFD by ordering and directing funds and securities, monitoring transactions, and preparing client proposals. He is also versed in equities research, account balancing, investment model updating, and direct advising.

He holds a Bachelor of Business Administration in Finance from Mississippi College.

During his free time, Parker can be found outdoors. He loves running on the Beltline, trying new recipes, working out, and listening to live music. He is an active member of his community in Old Fourth Ward and enjoys reading.
