My NET WORTHWHILE™ is helping others live confidently.

Kameron leverages his 20 years of investment experience to provide financial, investment and tax consulting, as well as comprehensive wealth management planning, to our firm's high-net-worth clients. He has a great passion for helping people gain financial security and believes that through education, he can provide clients with financial confidence and a new wealth perspective.

Prior to SignatureFD, Kameron worked at Frazier & Deeter, LLC, helping with high-net-worth individuals and closely held business owners on tax and business consulting issues.
